OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

No. 1341/54 Enc.1

Bangalore, 22nd J u l y *1915*

From

Rao Bahadur
M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To

~~C. S. Balasunderam Iyer, ESQ., B.A.,~~
Secretary to the Government of H. H. the Maharaja of Mysore,
Education and Agricultural *Departments.*

SIR,

With reference to your letter No.8890/Med.13-14 dated 12th May 1915, calling for the submission of a programme, of in consultation with the Senior Surgeon, of the arrangements to be made for getting local men trained for filling up vacancies in the subordinate service of the Medical Department, the existing arrangements being unsatisfactory, I have the honour to submit herewith for the information of Government copy of letter No.6092 dated 29th May 1915 from the Senior Surgeon, stating that in his opinion the existing arrangements are quite satisfactory and that no other arrangements are necessary.

I have the honour to be,

Sir,

Your most obedient servant,

M. Shama Rao.

Inspector General.

(4)

Enclosure to Medical 13-4-52.

Letter No.6092 dated 29th May 1915 from the Senior Surgeon with the Government of Mysore, to the Inspector General of Education in Mysore, Bangalore.

In reply to your letter No.18924/3183 dated 20-5-1915, requesting me to give my opinion on the Secretary's letter No.8890/Med.13-14 dated 12-5-1915 calling for necessary action to be taken in getting local men trained for filling up vacancies in the subordinate medical service, I have the honour to state as follows,-

Against 6 vacancies in the Sub Assistant Surgeon's grade, now existing, there are 10 State stipendiaries who returned from the Royapuram Medical School last month ~~fully-qua~~ duly qualified and who have been entertained as Passed Sub Assistant Surgeons, to be absorbed in the vacancies in due course. There are at present 53 covenanted Medical Pupils studying in the various Medical Schools and Colleges. Of these, about 26 are expected to appear for the final examination in March next; 12 in March 1917 and 15 in March 1918 and if 60% of these should pass and join the service according to the conditions of their bonds, there will be no need to appoint outsiders for vacancies, the probable number of which may be about 25 in the next 3 years.

Difficulty was no doubt felt during the period 1911-14 in filling up vacancies in the Sub Assistant Surgeon's grade and applications had to be invited and outsiders (whose professional attainments, in some cases, were of indifferent quality) had to be entertained, to keep the dispensaries going. This difficulty was only temporary and was due partly to our having refrained from sending any students in the years 1906, 1907 and 1908 in accordance with Government Order No.3028-9Med.30-05-33 dated 23rd October 1906, and partly to the large number of -

resignations received from the Local Sub Assistant Surgeons and Passed Medical Pupils who preferred the Railway and the Madras Medical Service as being more attractive than the Mysore Service.

The Sub Assistant Surgeon's grade has been reorganised and brought into line with the Madras scale. Government have also very recently issued rules for regulating the grant of scholarships for the Sub Assistant Surgeon's course, under their Proceedings No.13139-40 Med. 250-12-7 dated 27th June 1914. Under these rules, applicants for the scholarships should, among other things, be natives of Mysore. All the 12 candidates selected and sent up for training last year were natives of Mysore. This year also the selection will be restricted to Mysoreans.

Under these circumstances, I do not think that any other arrangements are necessary in lieu of the existing arrangements which are, in my opinion, quite satisfactory.

"C O P Y"

Inspector General.
